February 18 President's Day
No Preschool

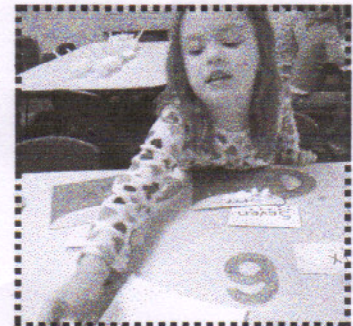

During the month of February we will be assessing and preparing report cards to come out in March.

February 2013
Pre-Kindergarten
Miss Avey and Mrs. Jacomet

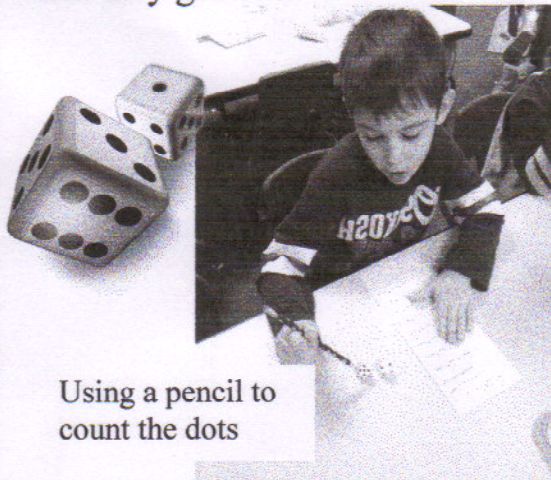

A look at our month

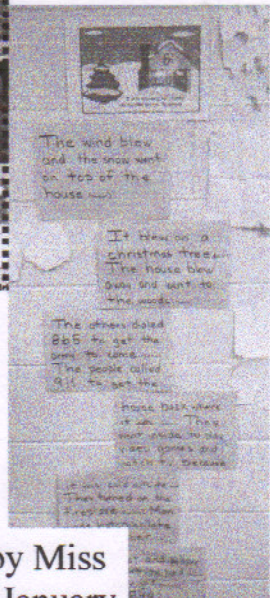

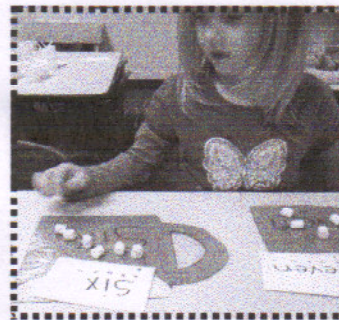

We have been learning a lot during the month of January. We introduced how to tell time using both an analog and digital clocks. During this introduction we reviewed counting and recognizing the numbers 1-12. We are also sharpening our counting skills in the most fun way by using marshmallows and hot cocoa yum yum!

After reviewing our numbers we have begun adding using two dice to count up to twelve. The children had fun rolling the dice with the anticipation of what number will they get next.

Using a pencil to count the dots

Our Winter Story by Miss Avey's Pre-K class January 2013
