

Classroom News

Teachers: Miss Avey and Mrs. Brodrick (Jacomet)

For the month of March 2013

Upcoming Events

- March 14 - We will be walking to the Library
- March 13 - We will be going to Piqua Catholic School to observe a Kindergarten classroom in action.

A LOOK AHEAD!

Please make arrangements now for two special days!

- April 26 - All Dad's and Grandpa's are invited to come and make a special gift for our mommy's.
- May 10 - All Mom's and Grandma's are invited to come and make a special gift for our daddy's.

Homework

Many students have not turned in all of their homework. This is not graded but a process to introduce to parent and child the idea of completing homework. Giving the children a full kindergarten ready experience. Please spend time each week discussing their homework and have fun with it. These assignments will be made into a book that you will get to keep at the end of the year.

A look back

Check out this rhyming video. The children have been having a lot of fun singing and dancing while learning to

rhyme. I posted it on my website for easy access.

Special Notes

We have been doing assessments as a snapshot to determine where the children each are in learning. Grade cards should be out by mid March. If you would like a conference to go over what we are learning please let me know.

Reminders

As the weather begins to warm up we will be using the playground again please remember to dress appropriately.
