Teachers:

1 1

Pre-K Classroom:

⋇ ⋇ **Upcoming Events** * 米 **** ⋇ * May 7 Susie's we will be walking to ⋇ eat ice cream please send in 米 \$2.00 ∦ ⋇ May 12 Library ***** * May 14 Alphabet party Please bring an alphabet game ⋇ ✻ or alphabet snack to celebrate * the end of the alphabet. ⋇ May 22 Last day of school 米 **** * May 26 Preschool Graduation! ⋇ More information will be out 米 soon. 米 米

A look back

Tife touch photography took each child's photo in their cap and gown. You can still order these on-line if you are interested go to Þ mylifetouch.com and enter picture day I.D. # KE034332Y0 then search for your child's photos.

The children have made great progress this year. We have discussed all the letters and the sounds they make. We have counted to 100 and we have began adding and subtracting. We are ready to begin reading. Continued learning over the summer will strengthen this foundation. Set aside time each day to read to your child. Play games with counting and numbers or just get outdoors to explore. I hope everyone has a wonderful summer.

Special Notes

Greene Street offers a wonderful summer daycare program. We attend many in-depth field trips and learning. See a teacher for more information.

Thank you for giving me the opportunity to learn and explore with your child. This year was a wonderful year for growing. I will miss each and every one of the children and their families. I hope to see them over the summer and during other activities.

God bless to all of the class of 2028
